

Setting up of Application Environment

Creating an Account in Nutrition API

Team ID	PNT2022TMID11404
Project Name	Nutrition Assistant Application

STEP 1 : Creating an account by entering username , email Id and password.

The screenshot shows the RapidAPI sign-up interface. On the left, there are three social login buttons: 'Sign up with Google' (blue), 'Sign up with Github' (black), and 'Sign up with Facebook' (light blue). Below these is a separator line with the word 'or'. The main sign-up form consists of three text input fields: 'Username' (placeholder: 'Enter your username'), 'Email' (placeholder: 'Enter your email'), and 'Password' (placeholder: 'Must Have 8-42 Characters'). At the bottom of the form is a checkbox labeled 'I'm not a robot' next to a reCAPTCHA logo. On the right side of the page, there is a large blue banner with the text 'Find and Connect to Thousands of APIs'. Below this text is a list of four features, each preceded by a checkmark: 'Discover APIs', 'Test from your browser', 'Connect using code snippets', and 'Manage APIs from one dashboard'.

Find and Connect to Thousands of APIs

- ✓ Discover APIs
- ✓ Test from your browser
- ✓ Connect using code snippets
- ✓ Manage APIs from one dashboard

STEP 2 : Enter the futher details

The image is a screenshot of the RapidAPI website's onboarding process. It is split into two main sections. The left section, which has a white background, contains a 'Welcome!' heading, a sub-header 'Finish setting up your profile so we can better tailor your experience.', and two form fields: 'Full Name' (containing 'Pradheekhasri A S') and 'Organization Name' (containing 'KLNCE'). Below these is a checkbox labeled 'We need an organization account. Learn more' which is checked. At the bottom of this section is a blue 'Done' button. The right section has a dark blue background and features the heading 'Find and Connect to Thousands of APIs'. Below this heading is a list of four options, each preceded by a checkmark icon: 'Discover APIs', 'Test from your browser', 'Connect using code snippets', and 'Manage APIs from one dashboard'. The RapidAPI logo is visible in the top left corner of the image.
